

DUST SUPPRESSION..... Working underground can be a whole lot cleaner when you deploy a quality Q water's dust suppression system - these quality, strong, *light weight* and highly *portable* ground water cannons/monitors can be used for precision ***"dust busting"*** results.

DUST SUPPRESSION

A portable water cannon that is easy to use, strong in construction and light to carry.....it ticks all the boxes for your underground fogging or water blasting applications.

Comes with either an adjustable fogging or straight jet nozzle.

When you have a dusty job ahead

.....**Rely on a Q water ground water cannon/monitor for a *"knock out"* performance.**

Contact a Q water sales engineer for your best dust suppression solution today.
